

Get your patients excited about braces and –

Differentiate your practice!

G&H® DesignerTies® are a great way to attract new patients as well as giving your current patients a way to express their own style during treatment.

Why DesignerTies? Available exclusively through G&H!

- Attract new patients!
- Increase patient engagement
- Greater incentive for patients to make appointments
- Made in the U.S.A. 
- No special equipment for placement
- No interference with traditional mechanics, little or no added friction
- Seasonal shapes and colors!
- Latex-free

Stick of hearts shown actual size

Closeup of the ligature tie on the back of each DesignerTie®

Easy to apply –

DesignerTies® are applied the same as traditional elastomeric ligature ties, so there's no need for special equipment for placement. See our website for a video on just how easy it is to apply DesignerTies®.
